of Public Good, pursuant to 30 V.S.A. § 248(j),)
authorizing the installation and operation of a 278 kW)
solar electric generation facility to be located at Hunt)
Middle School in Burlington, Vermont)

Order entered: 2/3/2011

ORDER RE: MOTION TO FURTHER EXTEND STAY

On December 15, 2010, the Public Service Board ("Board") granted the Motion to Extend the Stay of Proceedings filed by Burlington Schools PV, LLC ("BSPV"), on November 22, 2010. In the December 15 Order, the Board required BSPV to file for withdrawal of its petition or request that the stay be lifted by February 1, 2011, or to request that the stay be further extended by January 14, 2011. The Board established a two-week comment period on any BSPV filing.

On January 14, 2011, BSPV filed a Motion to Further Extend the Stay of Proceedings regarding BSPV's petition. BSPV stated that it is investigating the use of distributed inverters, rather than the proposed centralized inverter, and is in the process of redesigning the proposed project's electrical system to incorporate the distributed inverters. BSPV stated that once the redesign is complete it will need to confer with the interconnecting utility, the City of Burlington Electric Department, and perform the system impact study. BSPV requested that the stay of proceedings be extended until May 1, 2011. BSPV represented that it has consulted with the Vermont Department of Public Service and the Vermont Agency of Natural Resources regarding the request for additional time, and that neither party objects to the request or has additional comments.

No comments on BSPV's Motion were received.

BSPV's Motion to Further Extend the Stay in this proceeding is granted. BSPV shall, by May 1, 2011, file for withdrawal of its petition or request that the stay be lifted. Alternatively, if

BSPV will require an additional extension of the stay, a request that the stay be extended must be filed by April 15, 2011. In the event that BSPV requests that the stay be lifted, BSPV shall file the required interconnection information¹ within ten days of the Board ordering the stay be lifted. Any comments from parties on this additional information, or on a subsequent Motion to further extend the stay, if any, will be due two weeks after such information or Motion is filed.

So ORDERED.

Dated at Montpelier, Vermont, this 3rd day of February, 2011.

OFFICE OF THE CLERK

FILED: February 3, 2011

ATTEST: s/ Judith C. Whitney
Deputy Clerk of the Board

NOTICE TO READERS: This decision is subject to revision of technical errors. Readers are requested to notify the Clerk of the Board (by e-mail, telephone, or in writing) of any apparent errors, in order that any necessary corrections may be made. (E-mail address: psb.clerk@state.vt.us)

1. If BSPV makes changes to the proposed project as a result of its investigation of the use of distributed inverters, BSPV must also file an updated and amended § 248(j) petition, prefiled testimony and exhibits, and proposed findings of fact and order.
